NEW CARNATIONS for 1942

NEW CARNATION PEACE

A 1938 SEEDLING ORIGINATED BY SEAVER BROS.

Parentage: Two unnamed seedlings

Color: Pure White

Size: Slightly larger than average—3 to 3½ in.

Very fragrant. Full center and good keeper. Strong stem and good calyx. No splits or inferior blooms. Easy grower and good producer of both blooms and cuttings.

PEACE is a good keeper and has been shipped frequently to distant points, Chicago in particular, and to Florida, California, and New Orleans, withstanding these tests most satisfactorily. Boston wholesaler reports regular customers insist on "**PEACE**" even when at premium prices.

Deliveries begin December, 1941. "**PEACE**" can be seen growing at Seaver Brothers, Framingham, Mass., and at Oren Whitney's, Northboro, Mass.

NOT PATENTED—NO RESTRICTIONS AFTER ONE YEAR

Prices: \$15.00 per 100, \$135.00 per 1000

NEW CARNATION "FIRE CHIEF" (Patented)

"**FIRE CHIEF**" is a sport of "**King Cardinal**", originated at Phil J. Goebel's, Kirkwood, Missouri. It is deeper in color and has about 25 per cent more petals than "**King Cardinal**". Never gets off color or streaky in cloudy weather. Good producer, same as parent, but little heavier grower.

Deliveries December, 1941, and thereafter

Prices: \$4.00 per doz., \$20.00 per 100, \$150.00 per 1000

CARNATION, MARCHIONESS OF HEADFORT

Creamy white melting into a ground color of rich red, of great substance. A most beautiful and impressive flower of the "Pelargonium" type, with a pleasing perfume. The growth is constitutionally perfect, absolutely reliable, with a substantial stem and vigorous growth.

\$20.00 per 100, \$150.00 per 1000

CARNATION, SCARLET KING

A sport of Pelargonium, bright red edged creamy white, identically the same size of flower and growth as Pelargonium, but more outstanding in color.

\$20.00 per 100, \$150.00 per 1000

SILVERLYN

The color is a fine medium Pink with Silver Edges. The flower is 3 to 3½ inches in size, well formed and very full. **SILVERLYN** is a variety that produces well, both in flowers and in cuttings. Stems are of good length and quite stiff. This Carnation is a strong grower and stock is very easily rooted.

Rooted Cuttings of **SILVERLYN** will be sold under an agreement.

\$20.00 per 100, \$150.00 per 1000

JERSEY BEAUTY

A very large rich light pink, color of the Jersey Beauty Dahlia. Good grower and producer. Calyx that rarely splits.

\$5.00 per dozen, \$35.00 per 100
